HEART CHECK

Discharge Date/Time: 04/13/2007 01:56:31 PM

Discharge Status: NORMAL

Primary Diagnosis:
NORMAL HEART ECHOCARDIOGRAPHICALLY -

List of Procedures: ECHO - (2D/M-MODE/DOPPLER) & I

Discharge Instructions: Thank you so much for bringing Marie to see us on April 13, 2007. She is beautiful and so sweet.

On physical examination there were no abnormal findings. No cardiac murmur was ausculted.

Today we did an echocardiogram to screen her for hypertrophic cardiomyopathy. No abnormalities were found.

Thanks again!
